Land Tenure Adjustments

- Lands Identified for Disposal

In Section 102 of FLPMA Congress declared: "it is the policy of the United States that the public lands be retained in Federal ownership, unless as a result of the land use planning...it is determined that disposal of a particular parcel will serve the national interest" (43 U.S.C. 1701 (a)(1)). While not specifically mapped as retention areas, public lands are managed according to this Congressional direction,
